TERMS AND CONDITIONS.

Whilst GT ALUMINIUM makes every effort to supply complete and accurate quotes and in the event us being the successful supplier/installer, we would need confirmation that the design of the products specified in this quote meet the specifications in terms of SANS10400 - XA & SANS204. Please note that should the specifications be different at the time of award, it will affect the pricing and lead times. If no confirmation is given and this quote is accepted as it is, GT ALUMINIUM assumes that the design meets with the required specifications in terms of SANS 10400 - XA & SANS 204. GT ALUMINIUM will not be liable for any damages as a result of incorrect, incomplete or inaccurate specifications furnished.

PAYMENT TERMS - 60% DEPOSIT PAYMENT UPON CONFIRMATION OF ORDER AND GT ALUMINIUM SIGNED ACCEPTANCE PAGE,
30% DAY BEFORE DELIVERY TO SITE & 10% UPON COMPLETION OF INSTALLATION.
FINAL SETTING WILL BE DONE WHEN YOU CONTACT US UPON COMPLETION.
INTEREST OF 2.5% PER MONTH WILL BE CHARGED ON ALL OVERDUE ACCOUNTS ONCE INSTALLATION IS COMPLETE

ONCE THIS QUOTE IS SIGNED, ALL VARIATIONS WILL BE ISSUED ON A VARIATION QUOTE WHICH WILL HAVE TO BE SIGNED AND RETURNED BEFORE THE CHANGES CAN BE MADE.

1. All windows and doors to comply with AAAMSA and SAGGA specifications.
2. Keys and / or glazing certificate will not be handed over until payment has been received in full.
3. Stays, rollers, handles, hinges, locks and hardware are guaranteed for 1 year only.
   Iron Mongery - standard iron mongery used throughout in accordance to SABS & NBR standard unless otherwise requested
4. GT Aluminium is not responsible for design of doors and windows. Any changes made after initial quote is to be made by homeowner and architect.
5. Quote is based on standard ironmongery. Any special handles etc. will incur an additional cost.
6. Additional cost is applicable for sandblasted, translucent or obscure glass.
7. GT Aluminium does not manufacture Thermal Aluminium and therefore all our quotes are based on standard aluminium. This quote excludes aluminium cladding and shop drawings until specified. If required a variation quote will be issued.
8. GT Aluminium does not specialise in waterproofing. All waterproofing must be done prior to installation of window and doors by a waterproofing specialist.
9. GT Aluminium products should only be installed after the roof has been fitted and walls and ceilings have been plastered due to the risk of scaffolding potentially damaging the aluminium frames or glass.
10. GT Aluminium is not responsible for calculating SHCG and U-VALUES on glazing. This is the responsibility of the architect. GT Aluminium will not be held responsible for replacement of glass if the correct specifications are not received from the client and the architect.
11. Cleaning of aluminium windows and doors is required at least once a month in order to remove salt deposits in terms of houses within 2 km of the sea. GT Aluminium does not clean glass and aluminium once fitted. This is the responsibility of the contractor or homeowner.
12. Glass scratched or broken by others once our product is fitted will charged for.
13. Plastic is only to be removed by the painters once all painting has been done.
14. Goods remain the property of GT Aluminium Durban (Pty) Ltd until paid in full.
15. By signing this quote you accept that GT Aluminium Durban (Pty) Ltd has the right to remove any and/or all products which has not been paid for in full.
16. GT Aluminium DOES NOT do building work, patching up, plastering and painting when fitting unless otherwise requested.
17. GT Aluminiun does not do painting, tiling, wood work and carpentry.
18. Delivery is +- 15 working days from date of signed acceptance and deposit payment.
19. Quote is based on dimensions and configurations as received from customer either via site visit or window and door schedules. The Architect needs to be informed of any changes made to dimensions and configurations by either the Contractor or Home Owner as this can affect passing of the building.
20. GT Aluminium does not seal between windows and plaster work. This is to be done by the Contractor. Additional cost will apply if GT Aluminium is to do this work.
