Total:	R 347,442.53

Total price supply and install including VAT - valid until 31 August 2026

CONFIRMATION OF ORDER IS SUBJECT TO CREDIT CHECK AND DEPOSIT RECEIVED

Delivery: +- 15 working days from receipt of official order and deposit.

VERY IMPORTANT WHEN BREAK OUT OF EXISTING IS REQUIRED - Removal of existing does cause dust, and it is the the client's resposibility to ensure all furniture & carpets are covered before break out commences. If this is not done, GT Aluminium will not be responsible for cleaning. Care must be taken when cleaning of glass to avoid scratches.

PAYMENT TERMS: 60% payment on confirmation of order and 30% day before delivery to site and 10% upon completion of installation.
Adjusting and setting will be done when your project is complete & you contact us.
2.5% interest will be charged on overdue accounts from date of installation.

IMPORTANT NOTE - GT ALUMINIUM IN NOT RESPONSIBLE FOR CALCULATING SHGC AND U-VALUES ON GLAZING. THIS IS THE RESPONSIBILITY OF THE ARCHITECT. GT ALUMINIUM WILL NOT BE HELD RESPONSIBLE FOR REPLACEMENT OF GLASS IF THE CORRECT SPECIFICATIONS ARE NOT RECEIVED FROM THE CLIENT AND THE ARCHITECT.
WE TO NOT DO THERMAL ALUMINIUM AND THEREFORE ALL OUR QUOTES ARE BASED ON STANDARD ALUMINIUM.

Terms & Conditions:
This quotation is valid for 30 days, thereafter subject to proven cost increase escalation.
This quotation is subject to change without prior notice. All the goods remain the property of GT Aluminium until paid for in full, whether in storage or installed. I the signatory of this quotation agree that the product may be removed from site in the event of payment default even if the installation is complete and the product forms part of the building. All aluminium frames and glass to be checked on delivery. GT Aluminium will not be responsible for breakages after the aluminium products and glass have been installed. With acceptance of this quotation our payment structure is also accepted. This quotation excludes any preparation of plaster work on completion. GT Aluminium will not be held responsible for any hidden or unknown factors which cannot be determined when visiting the site i.e. hidden cables, pipes, inferior support beams, floor levels, foundations etc. All warranties are null and void until the invoice has been paid in full. No retention or penalties will be accepted. All effort will be done to complete installation as per agreed date, however no guaranties can be given. Our system should beinstalled after the roof hasbeen fitted and walls and ceilings have been plastered - only finishing plaster work should be done afterwards due to the risk of the scaffolding potentially damaging the aluminium frames or glass. GT Aluminium does not specialise in waterproofing. Waterproofing to be done by others.
Cleaning of aluminium windows and doors is required at least once a month in order to remove the salt deposits on the product in terms of all houses within 2km of the sea.

Should you have any queries regarding this quotation please contact the undersigned.

We look forward to being of service.

Kind Regards
